APPLICATION TO PARTICIPATE IN THE
LEAVING CERT. APPLIED PROGRAMME
(2010 / 2011)

I wish to participate in the Leaving Certificate Applied Programme (L.C.A.) in the school year 2010 / 2011. I understand that this is an alternative two year Leaving Certificate programme best suited to those wishing to enter the work force directly through apprenticeships and additional training upon completion. **I am also aware that because of timetabling purposes, upon enrolling for this programme, it may not be possible to alter my choice later and seek admission to the conventional Leaving Cert. course.**
