LEAVING CERTIFICATE PROGRAMME

COMPULSORY SUBJECTS:

Every fourth year student will have classes in the following subject areas:

Religious Education

Irish

English

Mathematics

Computers

Career Guidance

CHOICE SUBJECTS:

In addition, each student will choose to study at least four of the following choice subjects *in which they have already had a background introduction at Junior Certificate level*. In order to accommodate as many upper preferences as possible in the fourth year timetable, you are asked to list in order of preference [1 - 8] the subjects listed below:

Please Note: students may not study the following subjects together: *either Physics or Chemistry with Physics & Chemistry (combined)*. Therefore, such combinations of subjects should not appear in the first *four* choices.

Leaving Certificate Vocational Programme: Students who, through their choice of subjects, qualify for this programme will be timetabled to participate in it.
